Describe Location of Construction or Reconstruction:

 (Intersection, Residence, etc.)

Separate sketch attached of the Above.

(Drawing to scale with dimensions must be attached) and driveway centerline staked.

Concrete Construction Specifications are set forth in Resolution 2008-01; please request to review these. If desiring copies of these specifications, provide paper or pay a 25 cent per page fee. Any approved applicant must follow these regulations set forth in the Village of Pleasant Dale.

The Village Street Commissioner is required to visually inspect the sub-grade and forms prior to the placement of the concrete. The Village Street Commissioner shall be notified in request of inspection 12 hours prior to intended time of concrete placement. (Res. 2008-01).

The undersigned hereby confirms that he/she understands the obligations set forth in this document and agrees to comply therewith. The permit shall be kept with the individual in charge at the place where the work is being performed and shall be produced for examination upon request of any City official.
